It's All About the Science!

The Science Museum of Minnesota is focused on topics in technology, natural history, physical science, and mathematics education.

All of the exhibits are designed with families in mind, so you will find exhibits components designed for both children and adults. Many of the exhibits are hands-on, so prepare to become engaged in learning!

These four admissions also include the experience of one Omni Theatre film! Look up, down, and all around—the 90-foot giant dome screen surrounds you with the most stunning scenery on the planet! It takes you soaring through space, and puts you face to face with Earth's most fascinating animals. All without leaving your seat.

Relax on Round Lake!

Nestled in a setting of pine trees and maples, you will revel in the privacy of 3 acres and 310 feet of shoreline on crystal clear Round Lake in Hayward, WI. This lake is considered a recreational and sportsman's paradise.

From **August 12 - August 18, 2019** this beautiful 4,000 square foot lake home will be yours to enjoy.

With 4 bedrooms and 3 bathrooms, it can sleep up to 10 people! On the main level, the 26'x22' great room is open to a gourmet kitchen, dining room, and sun porch, all with outstanding waterfront views. The walkout lower level boasts a family room with a second wood burning fireplace and three season porch. Bring your own boat or rent one at the full service Round Lake marina. The water is so clear that you can see fish from the end of the dock. So bring your fishing gear and grill your catch on the gas barbeque!

Day at the Capitol with Tina Liebling

State Representative, Tina Liebling, will host you and a friend for a day at the Capitol! Great experience for any political enthusiast! Our beautiful State Capitol boasts the second-largest self-supported marble dome in the world, decorative art, murals and paintings restored to original 1905 patterns and colors. You'll experience stories about the Capitol's history, art and architecture, the chambers where government decisions are made, and most importantly, see the legislature in action in the restored House and Senate chambers.
